Family Travel Tips

1. Get the kids involved in the planning! They will lead you in directions you otherwise wouldn't have gone—and you'll all be happier for it.
2. Cut the itinerary in half. Leave plenty of time for play time around the hotel pool, the play ground, even sleeping late. Vacation is for relaxing!
3. Make sure everyone in the family has a say in the itinerary. Compromise is the name of the game!
